WAX MUSEUM OF BARCELONA

Time stands still as the wax comes to life in this journey through the history of knowledge and humanity through its most representative eras and figures.

The Wax Museum is the perfect place to hold all kinds of events; conventions, filming, photo shoots, dinners, presentations or concerts.

We offer the most unique rooms of the museum, in an ideal environment dedicated to leisure and social events.

SALA BARCELONA

Located after the museum's hall, Sala Barcelona is the perfect space to prepare a cocktail before an event on our biggest room, Sala Magna.

A place to start your night, let the guests relax and start conversation while accompanied by a replica of Park Güell's dragon.
